- 20' Main strategies in Latin America to guarantee sexual and reproductive rights S. Oizerovich (Argentina)
- 10' Discussion

Room B CONSES 04 Me, myself and STI

Chair: P. Baraitser (UK)

- 30' incl Q & A Gonorrhoea is getting meaner! The importance of antibiotic stewardship and treatment guidelines for common STIs (Neisseria gonorrhoeae, Chlamydia and Mycoplasma genitalium) P. Horner (UK)
- 30' incl Q & A STIs in trans people K. Nambiar (UK)
- 30' 3 Free Communications

Room C CONSES 05 Contraceptive counselling for women with special needs

Chair: T. Bombas (Portugal)

- 20' Contraception for women with intellectual disabilities in an institutional setting
  - 20' Contraception for women with physical disabilities
  - 20' Contraception for women at high risk of HIV
  - 20' 2 Free Communications
  - 10' Discussion
- G. Gomes (Portugal)  
W. Gianotten (the Netherlands)  
C. Sales (Brasil)

Room D Late breaking news  
Chair: TBC

---

12:45 - 14:00 Lunch & poster presentations

12:45 - 14:00 SPOSY 02 Sponsored symposium  
Room A

13:00 - 13:50 EGSES 01 Expert Group on future of hormonal and molecular contraception Update on hormonal contraception and cancer risk including the LNG-IUS  
Room E Chair: A. Gompel (France)  
(max 30 p)  
Breast cancer  
Endometrial cancer  
Ovarian and cervical cancer  
Other cancers

Room F EGSES 02 Expert Group on sexual medicine and sex education How to deal with (sexual) violence  
(max 30 p) Chair: O. Loeber (the Netherlands)  
The session will consists of two or three short presentations on sexual violence in the consultation room and the prevention of sexual and gender violence. There will be discussions with the participants about their experiences and ways to deal with violence.

Room G EGSES 03 Expert Group on Non-hormonal methods of contraception Controversies about copper intrauterine devices: which HCP views are correct?  
(max 30 p) Chair: R. Beerthuisen (the Netherlands)  
A recent survey about attitudes of health care providers to offering devices to different groups, including nulliparous women, showed there is still misunderstanding and contradictions in daily medical practice. An interactive discussion between the experts and the audience will be held, based on the survey results.

---

14:00 - 15:15

Room A CONSES 06 Reproductive intelligence  
Chair: K. Haldre (Estonia)

- 20' incl Q & A Periconception period and its importance for future health of offspring across the lifespan
  - 20' incl Q & A Fertility awareness: should we integrate it into contraceptive counselling?
  - 20' incl Q & A Genetic testing: benefit or burden
- T.P. Fleming (UK)  
F.M. Ubaldi (Italy)  
K. Joost (Estonia)

Room A CONSES 13  
Chair: P. Baraitser (UK)

Internet governance

20' Sexting and revenge pornography: legislative and social dimensions of a modern digital phenomenon A. Phippen (UK)

15' UK national standards for internet governance in online sexual health services P. Baraitser (UK)

20' Sex, savages and starvation: focusing on young people's consumption and production of sexual images online and the impact on self-identity E. Bond (UK)

20' 2 Free Communications

15' Discussion

Room B CONSES 14  
08:30 - 09:15 Chair: A. Kubba (UK)

HPV

20' HPV: the cervix and beyond M. Merckx (Belgium)

20' The vaginal microbiome: what every woman should know P. Greenhouse (UK)

5' Discussion

09:15 - 10:00 Chair: K. Haldre (Estonia)

Microbiome

20' Sexual intercourse: a key to your partner's microbiota R. Mändar (Estonia)

20' The uterine microbiome: residents, tourists or invaders? Research up to 2020 S. Altmäe (Spain)

5' Discussion

Room C SPOSY 03  
Sponsored symposium

Room D CONSES 15  
Special groups

Chair: K. Gemzell Danielsson (Sweden)

- 20' Eating disorders A. Lindén Hirschberg (Sweden)
- 20' Polycystic ovary syndrome (PCO) S.O. Skouby (Denmark)
- 20' Obesity and bariatric surgery A.R. Costa (Portugal)
- 20' Different preventive treatment options for patients with premature ovarian insufficiency (POI) X. Ruan (China)
- 10' Discussion

---

10:00 - 10:45

Room A KL 02  
Chair: M. Short (Ireland)

Keynote lecture: medical and ethical dilemmas  
Making safe abortion care available in humanitarian settings: moving from intention to reality E. De Plecker (MSF, Belgium)

---

10:45 - 11:15 Break & poster presentations

---

11:15 - 12:45

Room A CONSES 16  
Chair: P. Lobo (Spain)

No voice, no choice

- 30' (title of the lecture to be announced) O. Wells (USA)
- 30' Countering myths about female genital mutilation/cutting J. Abdulcadir (Switzerland)
- 30' Sterilisation: its place in 2020 and what history has taught us J.J. Amy (Belgium), S. Rowlands (UK)

Room B CONSES 17  
Chair: R. Lertxundi (Spain)

Innovations

- 20' Is there a place in choosing personalised medicine? I. Lete Lasa (Spain)
- 20' Contraception K. Gemzell Danielsson (Sweden)
- 20' What are the unmet needs in contraception? P. Lobo (Spain)
- 20' 2 Free Communications
- 10' Discussion

Room C CONSES 18  
Chairs: G. Merki (Switzerland), M. Toschi (Italy)

Neurological disorders, endometriosis and sexual dysfunction

- 20' Contraception in women with migraine and endometriosis G. Grandi (Italy)
- 20' Effects of hormonal contraceptives on mood: is there a real danger? G. Merki (Switzerland)
- 20' Which contraceptives improve, or decrease, sexual function? J. Bitzer (Switzerland)
- 20' 2 Free Communications
- 10' Discussion

Room D CONSES 19  
11:15 - 12:00 Chairs: K. Gemzell Danielsson (Sweden), C. Puig (ECEC)

Emergency contraception

- 20' UPA and missed pills: the advice is wrong A. Glasier (UK)
- 20' Sexuality, stigma and supervision: exploring the frameworks governing women's access to emergency contraception C. Murphy (UK)
- 5' Discussion
