08:30 - 10:00

Room A Debate: Is the pill obsolete? (Pill & LARC debate)
Chair: G. Merki (Switzerland)

Presentations:

20' Pro LARC

20' Pro pill

50' Debate - discussion:

Pro pill

Pro LARC

H. Kopp Kallner (Sweden)

G. Merki (Switzerland)

M. Short (Ireland)

J. Bitzer (Switzerland)

E. Cengic (Bosnia and Herzegovina)

A. Kubba (UK)

H. Kopp Kallner (Sweden)

P. Krepelka (Czech Rep.)

Room B Sexual and reproductive health - diverse cultures, different challenges
Chair: G. Lazdane (Latvia)

20' incl Q & A Sexual and reproductive health and rights in humanitarian settings in Europe

TBC

20' incl Q & A Technical guidance on improving maternal and newborn health in migrant population

B. Essén (Sweden)

20' incl Q & A Diversity of understanding sexual health in migrants and refugees

I. Keygnaert (Belgium)

20' incl Q & A Impact of ZANZU - news ways in improving access to sexual and reproductive health and rights

L. Brockschmidt (Germany)

10' 1 Free Communication

Room C Sponsored symposium

Room D Science & education (The classical topics and the future)
Chair: TBC

20' A sex hormone view of immune-related diseases E. Melanitou (France)
20' Hormones, chromosomes and sexual differentiation of the brain J. Bakker (Belgium)
20' New frontiers in contraception research R. Sitruk Ware (USA)
20' 2 Free Communications
10' Discussion

10:00 - 10:45 Keynote session

Room A Chair:

30' Sexual and reproductive health in different religious groups J. Bunting (USA)
15' Discussion

10:45 - 11:15 Break & poster presentations

11:15 - 12:45

Room A Where does pornography fit into your practice? No information available yet
Chair:

20' 2 Free Communications
Discussion

Room B Me, myself and STI
Chair: P. Baraitser (UK)

30' incl Q & A Gonorrhoea is getting meaner! The importance of antibiotic
stewardship and treatment guidelines for common STIs (GC,
Chlamydia & M. Gen) TBC
30' incl Q & A STIs in Trans people TBC
30' 3 Free Communications

Room C Contraceptive counselling for women with special needs
Chair: T. Bombas (Portugal)

20' Contraception for women in institutional setting with intellectual
disabilities G. Gomes (Portugal)
20' Contraception for women with physical disabilities TBC
20' Contraception for women of high risk of HIV C. Sales (Brasil)
20' 2 Free Communications
10' Discussion

Room D Late Breaking News
Chair:

12:45 - 14:00 Lunch & poster presentations

12:45 - 14:00 Sponsored symposium
Room A

13:00 - 13:50 Meet the Expert Sessions:
 Room E Expert Group on Hormonal contraception Update on hormonal contraception and cancer risk including levonorgestrel IUD
 (max 30 p) Breast cancer
 Endometrial cancer
 Ovarian and cervical cancer
 Other cancers

Room F Expert Group on sexual medicine and education How to deal with (sexual) violence
 (max 30 p) Coordinator: O. Loeber (the Netherlands)
 The session will consist of two or three short presentations on sexual violence in the consultation room and about prevention of sexual and gender violence. There will be discussions with the participants about their experiences and ways to deal with violence.

Room G Expert Group on Non-hormonal methods of contraception Controversies about copper intrauterine devices – which views of the HCPs are correct?
 (max 30 p) Coordinator: R. Beerhuizen (the Netherlands)
 In a recent survey about attitudes of healthcare providers towards offering devices to different groups of women (nulliparous women included) was shown that there still exist several misunderstandings and contradictions in daily medical practice. On the hand of statements derived from the results of this survey an interactive discussion with experts and audience will be conducted.

14:00 - 15:15

Room A Reproductive intelligence
 Chair: K. Haldre (Estonia)

20' incl Q & A Periconception period and its importance for future health of offspring across the lifespan T.P. Fleming (UK)

20' incl Q & A Fertility awareness - should we integrate it into contraceptive counselling? Possibilities for pregnancy (including fertility preservation) with advanced maternal age. TBC

20' incl Q & A (title of the lecture to be announced) K. Joost (Estonia)

15' 2 Free Communications

Room B Sexual intelligence
 Chair:

No information available yet

20' 2 Free Communications
 Discussion

Room C Young scientists session
 Chair:

J. Trussell award

Room D Contraception Atlas
 Chairs: T. Bombas (Portugal), M. Lech (Poland)

20' The concept and methodology of the Contraception Atlas N. Datta (Belgium)

20' Contraception Atlas 2020 M. Davidashvili (Belgium)

20' 2 Free Communications
 15' Discussion

15:15 - 15:45 Break and poster presentations

15:45 - 17:00

Room A European Medicine Agency
 Chair: K. Gersak (Slovenia)

5' Introduction K. Gersak (Slovenia)
 20' EMA and contraception H. Janssen (the Netherlands)
 20' Endocrine disruption associated with medicinal residues in the environment L. Perharic (Slovenia)
 20' 2 Free Communications
 10' Discussion

Room B James Trussell Memorial lecture
 Chair: TBC

40' Emergency contraception K. Gemzell Danielsson (Sweden)
 25' (title of the lecture to be announced) TBC
 10' Discussion

Room C Training In Europe
 Chair: G. Merki (Switzerland)

Training in sexual and reproductive health care – the European perspective : achievements, gaps and collaboration ?
 15' Commitment of the ESC to teaching the trainers K. Sedlecky (Serbia)
 15' The Spanish master P. Lobo (Spain)
 15' The Program of the UK Faculty A. Kasliwal (UK)
 20' SHR Training and accreditation - Project of EBCOG and ESC J. Bitzer (Switzerland)
 10' Discussion

Room D Sexuality education
 Chair: E. Ketting (the Netherlands)

20' Sexuality education for young people with disabilities in Europe - meeting the needs, reducing the barriers L. Brockschmidt (Germany)
 20' Comprehensiveness of sexuality education in Europe and its adolescent SRH correlates: outcomes of an assessment in Europe and Central Asia (BZgA, 2018) E. Ketting (the Netherlands)
 15' The ESC web library on sexuality education O. Loeber (the Netherlands)
 10' 1 Free Communication
 10' Discussion

Room E Meet the Expert Sessions
 Expert Group on STI
 (max 30 p)

Update in sexual health
 This session will update your sexual health practice - sharing key changes in clinical management since the last ESC congress.
 Whats new in the diagnosis and management of chlamydia/mycoplasma genitalium infection P. Baraitser (UK)
 Whats new in the diagnosis and management of HPV infection B. Frey Tirri (switzerland)

Undetectable = Uninfectious

S. Reuter (UK)

Room F Expert Group on Abortion
(max 30 p) Chair: S. Cameron (UK)

Self management of safe abortion
The session will consist of a structured discussion on:
What aspects of abortion can be self managed?
What is necessary for safe self management ?
What support do women need for self management?

Room G Meet the Expert Session
(max 30 p)

No information available yet
