Planned date of completion:

Day Month Year

Have there been any problems or issues with starting or continuing this project? If so, what impact will that have on your planned completion date?

No. Project is started and running in time.

Have you discussed the project status and any problems with your Mentor?

No.

Please provide a synopsis of your findings and data so far (max 500 words)

I would like to inform you that the Project "Obtaining information about contraception among Latvian woman at the age from 18-40" submitted by the Latvian Psychosomatic and Reproductive Health Development Foundation, is carried out by 1st and 2nd stage- during 8 months after this project starts, according to the plan and scheduled deadlines. We are now providing 3rd stage of the research- survey. Final results collecting and final report estimated data is April 2017. Please see one file attached containing the research financial record.

The granted financing has been used in accordance with the research goals, and co-financing of the Foundation has also been included.

We would like to request you kindly to transfer the remaining financing in the amount of 1850 (one thousand eight hundred and fifty) EUR to the account

Please provide a current budget on how much you have spent to date. Receipts may be requested.

Detailed budget is sent to central Office as attachement

Add any other information you feel we should have at this stage.
