Amount granted by the ESC (in euro)

Initial funding (part of the grant received already) in euro:

Final amount to be paid by ESC (in euro):

Project number:

Allocated mentor:

Your interim report

Date project actually started: 
Day Month Year

Planned date of completion: 
Day Month Year

Have there been any problems or issues with starting or continuing this project? If so, what impact will that have on your planned completion date?

We had to wait for the Ethical Committee's decision, to start the project, but we're in time to finish the research by the planned time.

Have you discussed the project status and any problems with your Mentor?

Yes

Please provide a synopsis of your findings and data so far (max 500 words)

Structured interviews with young female: To date we have conducted 40 interviews with women of reproductive.
 We invited women with previous sexual violence from database of the Department of Psychiatry, and Department of Obstetrics and Gynaecology, University of Szeged to fill our questionnaire.
 We use validated questionnaire to measure the association between emotional, physical and sexual violence victimisation and sexual or health risk behaviour.
 Preliminary results:
 The women who have previous sexual violence are low educated, frequently use drug and have high risk sexual behaviour (multiple partners, STD in gynecological report) compared to the control group.

Please provide a current budget on how much you have spent to date. Receipts may be requested.

To date we have spent approximately EUR2625 of the grant. Our expenses have related to recruitment, and the travel to the Romanian partner for discussion the preliminary results. (EUR 200)

Add any other information you feel we should have at this stage.

Next step: We will continue and promote the recruitment of the patients and divided case and control group for further analysis
 Preparation work of the presentations for the forthcoming international conferences (FIAPAC, ESC meeting)
