

Cookie Policy

Our website <https://escrh.eu/> uses cookies to distinguish you from other users of our website. This helps us provide you with a good experience when you browse our website and also allows us to improve our site.

All websites which operate across certain parts of the European Union are required to obtain consent using or storing cookies (or similar technologies) on your computers or mobile device. This cookie policy provides you with clear and comprehensive information about the cookies we use and the purposes for using them.

1. Who is responsible for the processing of your data?

The European Society of Contraception and Reproductive Health, 'a private foreign association with a center of operations in Belgium', that has its registered office at Centre de Régulation des Naissances, Hôpital Saint-Louis, I. Avenue Claude Vellefaux, 75475 Paris CEDEX 10, France and is registered in the Belgian Crossroads Bank for Enterprises under the number 0479.140.903 (hereinafter 'ESC' or 'we') is responsible for the processing of data as described in this cookie policy.

This cookie policy applies to the following website of ESC: <https://escrh.eu/> (hereinafter "our Website").

It is important to read this cookie policy carefully. If you have any further questions, please do not hesitate to contact us by letter at ESC Central Office, Opalfeneweg 3, B-1740 Ternat, Belgium or by e-mail to info@escrh.eu.

For more information about our privacy policy, please refer to our [privacy policy](#).

2. What is a cookie?

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies as soon as you visit our site.

3. Key concepts

First and third-party cookies: whether a cookie is 'first' or 'third' party refers to the domain placing the cookie. First-party cookies are those set by a website that is being visited by the user at the time (e.g. cookies placed by <https://escrh.eu/>).

Third-party cookies are cookies that are set by a domain other than that of the website being visited by the user. If a user visits a website and another entity sets a cookie through that website, this would be a third-party cookie.

Persistent cookies: these cookies remain on a user's device for the period of time specified in the cookie. They are activated each time that the user visits the website that created that particular cookie.

Session cookies: these cookies allow website operators to link the actions of a user during a browser session. A browser session starts when a user opens the browser window and finishes when they close the browser window. Session cookies are created temporarily. Once you close the browser, all session cookies are deleted.

4. What categories of cookies do we use on our Website?

Categories	Description
Strictly necessary cookies	Strictly necessary cookies guarantee functions without which you would not be able to use our Website as intended.
Analytical and performance cookies	Performance cookies collect information on how users interact with our Website, including what pages are visited most, as well as other analytical data. We use these details to improve how our Websites function and to understand how users interact with them.
Marketing cookies	These cookies are used to display relevant advertising to visitors who use our services or visit our Website, as well as to understand and report on the efficacy of ads served on our Website. They track details such as the number of unique visitors, the number of times particular ads have been displayed, and the number of clicks the ads have

received. They are also used to build user profiles, including showing you ads based on products you've viewed or acts you have taken on our (and other) websites. These are set by automatic and trusted third party networks and are generally persistent in nature.

A full list of the specific cookies we use on our Website is added below. To go to the full list of cookies, click [here](#).

5. How to control, disable and delete cookies

You can delete or deactivate cookies from our Website at any time, either [via your web browser settings](#) or on the websites of the various [third parties](#) that install cookies.

If you are using different computers, smartphones and/or tablets, please remember to set your cookie preferences on each of those devices.

6. Changing your cookie settings

You can manage cookie preferences at any time via the cookie banner.

a. via your web browser

Most browsers are initially set up to automatically accept cookies. You can also change the settings to block cookies or to alert you when cookies are being sent to your device.

It is easy to manage cookies. Click on one of the links below to go directly to your browser manual.

- [Cookie settings in Internet Explorer](#)

- [Cookie settings in Firefox](#)

- [Cookie settings in Chrome](#)

- [Cookie settings in Safari](#)

- [Cookie settings in Microsoft Edge](#)

Warning: we have no control over the content of the above-mentioned pages. These links can be changed by the responsible persons of the respective browsers.

b. Third party cookies

During your visit to our Website, in addition to the cookies installed by ESC, cookies may also be installed by third parties. Below you will find the links to the websites of these third parties, which sometimes also install cookies. There you will find more information about these third parties, their privacy policies and you may be able to choose not to accept their cookies (if possible). We have no control over the location and content of the pages of these third parties.

- Google Analytics: [privacy policy](#) and [cookie settings](#)

- Facebook: [privacy policy](#) and [information on Facebook advertising](#)

We do our best to keep the list of third parties that may install cookies when visiting our Website up to date. However, we cannot guarantee that the list of third parties will be complete at all times.
