

ESC Virtual Seminar

Friday 7 May and Saturday 8 May 2021

Delivering contraception & sexual and reproductive health care in our new world

<https://escrh.eu/event/esc-virtual-seminar/>

FRIDAY 7 May 2021

16:00	Welcome & introduction	<i>Ali Kubba, UK & Anne Gompel, France</i>
	<i>Chair: Charles Chapron, France</i>	
16:10	Medical therapies in endometriosis: after surgery or in place of surgery?	<i>Felice Petraglia, Italy</i>
	<i>Chair: Mary Short, Ireland</i>	
16:40	Breaking news in contraception	<i>Kristina Gemzell Danielsson, Sweden</i>
	Sponsored symposium Gedeon Richter: Estetrol: a significant innovation in contraception	
	<i>Chair: Ali Kubba, UK</i>	
17:10	Introduction by the chairperson	<i>Ali Kubba, UK</i>
17:20	The first oral contraceptive with native Estetrol. The first NEST.	<i>Jean-Michel Foidart, Belgium</i>
17:40	Estetrol/Drospirenone combined oral contraceptive: ovulation inhibition and clinical efficacy	<i>Mitchell D. Creinin, USA</i>
18:00	Q&A	
18:10	Break (silent posters)	
	P1- Effectiveness and safety of an at-home telemedicine for medical abortion service delivery model: Findings from Marie Stopes Australia	<i>Jane Seymour, Australia</i>
	P2- Menstrual cup use may increase expulsion rates of copper intrauterine devices evaluated in a contraceptive efficacy trial	<i>Jill Long, USA</i>
	P3- Engaging parents in digital sexual and reproductive health education: A UK-wide cluster randomised controlled trial with process evaluation	<i>Aine Aventin, United Kingdom</i>
	P4- Evaluation of factors predicting natural conception within one year of trying after ceasing contraception	<i>Hang Wun Raymond Li, Hong Kong</i>
	P5- Improving quality by introducing structure in contraceptive counselling – user satisfaction with interventions in a multicenter cluster randomized trial	<i>Isabella Bizjak, Sweden</i>
	P6- Management of displaced intrauterine contraceptive: describing a new ultrasound-guided repositioning technique and its results	<i>Mariane Nunes de Nadai, Brazil</i>
	P7 - Emergency contraceptive pills in Europe: A multi-country exploration of availability and accessibility	<i>Cristina Puig Borràs, ECEC, Spain</i>
	<i>Chair: Anne Gompel, France</i>	
18:25	The role of Combined Oral Contraception in the COVID era - Supported by an unrestricted grant from Theramex	<i>Inaki Lete Lasa, Spain</i>
	<i>Chair: Gabriele Merki, Switzerland</i>	
18:55	Drug interaction with hormonal contraception including HIV and broad spectrum antibiotics	<i>Katarina Sedlecky, Serbia</i>
	Free communication session	
	<i>Chairs: Giovanni Grandi, Italy - Sharon Cameron, UK</i>	
19:25	FC 1 Increasing uptake of long-acting reversible contraception with structured contraceptive counseling: a cluster randomized trial	<i>Isabella Bizjak, Sweden</i>
19:35	FC 2 Esterol/Drospirenone is a Novel efficient Contraceptive with good tolerance: Phase 3 trial in Europe and in Russia outcomes	<i>Maud Jost, Belgium</i>
19:45	FC 3 Intrauterine contraceptives placement at immediate postpartum period: partial results of a randomized clinical trial	<i>Cássia Juliato, Brazil</i>
19:55	Goodbye & see you tomorrow	<i>Helena Kopp Kallner, Sweden</i>

SATURDAY 8 May 2021

13:00	Welcome	Mary Short, Ireland
	<i>Chair: Lela Shengelia, Georgia</i>	
13:05	Teenage sexual health and contraception - Supported by an unrestricted grant from Gedeon Richter	Kai Haldre, Estonia
	<i>Chair: Giovanni Grandi, Italy</i>	
13:35	Estrogen free contraception - Supported by an unrestricted grant from Exeltis	Johannes Bitzer, Switzerland
	Young Scientist Session	
	<i>Chairs: Teresa Bombas, Portugal - Sarah Randall, UK</i>	
14:05	YS1 Provision of immediate postpartum intrauterine contraception (PPIUC) after vaginal birth within a public maternity setting: a health service evaluation	Michelle Cooper, United Kingdom
14:15	YS 2 Influence of pornography consumption on attachment, sexual flexibility and sexual functioning in young Austrian adults	Nikola Komlenac, Austria
